Re: Hexcel Corporation

ISRA Case No. 86009

Dear Mr. Carnett:

This firm is counsel to the Fine Organics Corporation. On March 31, 1986 Fine Organics purchased certain assets of Hexcel Corporation including real property located at 205 Main Street, Lodi, New Jersey. On July 13, 1994 we sent Right To Know request letters to the NJDEP's Office of Legal Affairs and its Division of Responsible Party Site Remediation (copy of letter enclosed). On August 15 we received a response from Central Files (S. Carson) which stated that there was no information in their files responsive to our request. We were directed to contact you concerning ISRA information.

Our understanding is that Joe Nowak, ISRA Case Manager, has the Hexcel file that we are interested in reviewing. Hexcel has filed a Chapter 11 Bankruptcy proceeding in California. The bankruptcy judge in that case has directed Hexcel and Fine Organics to exchange certain information on September 12 and documents on September 22, 1994. We need the information contained in the ISRA Hexcel file in the possession of Mr. Nowak in order to comply with the Court's order.

Based upon the above, we would appreciate it if you could make

arrangements for us to review that file as soon as possible, but in no event later than Friday, September 9, 1994. Thank you for your anticipated cooperation in this matter. Please contact me if you have any questions.

Very truly yours,
